

## ▶ DHL AUTHORIZED SHIPPING CENTER LIGHTED SIGN

# Congratulations & Thank You!

You are receiving a DHL Authorized Shipping Center (DASC) lighted sign because you have met the following program eligibility criteria:

1. Your store is an active and current participant in the DASC program.
2. You have shipped an average of \$350 per month in DHL transportation over the most current 6 months.

The DHL Authorized Shipping Center lighted sign is a special element of the DASC marketing program only available to higher volume shippers. When properly displayed (and lit), this sign will send a clear message to your existing and prospective customers that your store provides the best international service available.

### DASC Lighted Sign Regulations

1. DHL Authorized Shipping Center lighted signs are the property of DHL Express. You are receiving this sign to use in the promotion of your business so long as you continue to meet the shipping eligibility requirements as described above in items 1 and 2.
2. The DASC lighted sign must be displayed in your storefront window and connected to a power source so it can be lit. The signs were designed specifically for this purpose and application.
3. In the event your stores' status changes to the point it is no longer an active and current participant in the DASC program or it no longer meets the minimum eligibility requirements to have a sign, DHL may, at its sole option, pick up the lighted sign and return it to inventory or place with another location.
4. As stated in #1, DASC lighted signs are the property of DHL Express. You may NOT sell the sign, trade the sign for goods or merchandise, or give the sign away.
